03 Aug 2023- Movie show of the novel Animal Farm written by George Orwell

Department of English organized a movie show of the novel Animal Farm written by George Orwell for the students of B.A. Sem-3 under the able guidance of Principal Dr. Reena Talwar and under the headship of Ms. Dilpreet Kaur, Department of English.

Animal Farm, an anti-utopian satire by George Orwell, published in 1945. One of Orwell's finest works, it is a political fable based on the events of Russia's Bolshevik revolution and the betrayal of the cause by Joseph Stalin. The said novel is in the curriculum of the Elective English Subject of 3rd semester. Ms. Dilpreet Kaur, Head, Department of English stated the theme of the novel which is Power can induce corruptibility. The book echoes the idea that all power can contain an element of corruptibility. The students thoroughly learned the fact that Animal Farm is a great book to learn about the power of language and how powerful it is when used to control and manipulate

Post Graduate Department of Punjabi of Shanti Devi Arya Mahila College, Dinanagar, under the able patronage of Principal Dr. Sushma Gupta and the able direction of Dr. Kulwinder Kaur Chheena , Head, PG Department of Punjabi, conducted a Seminar on the topic ‘□□□□□□□□ □□□□□□ □□□□□□’ on 15th April, 2024. Dr. Naresh Kumar, Assistant Professor, Punjabi and Dogri Department, Central University of Himachal Pradesh was the eminent speaker. Dr. Sushma Gupta along with the faculty of Punjabi Department welcomed him with potted plant. In her welcome address, Dr. Kulwinder Kaur, the coordinator of the seminar, commenced the program emphasising the profound relation of Literature and Criticism. She added that Marxist criticism is one of the important trends of Punjabi criticism. According to the viewpoint of Principal Dr. Sushma Gupta, a Literary criticism enables the readers to understand the relationship between author and work and to analyse the thematic aspects within the texts. Narrating the principles of the said topic, Dr. Naresh gave an elaborated overview of the famous critics like Mr. Sant Singh Sekhon, Mr. Kishan Singh, Mr. Najam Hussain Syed, Mr. Ravinder Ravi, Dr. Harbhajan Singh Bhatia. Dr. Ramandeep Kaur said that a good work of criticism paves a way for the portrayal of literary works. All the students jotted down the crucial points and thoroughly enjoyed the seminar. At the end of the seminar, Principal Dr. Sushma Gupta, Dr. Kulwinder Kaur along with the faculty of Punjabi Department presented him the souvenir.

A workshop on Millets was organized to celebrate International Millets Day by NCC department under the able direction of Principal Dr. Sushma Gupta on 18th December, 2023. Mr. Anil Gupta of the Managing Committee was the special guest. Ms. Sangeeta Malhotra, Head, Department of Home Science, trained the NCC cadets to prepare different types of delicious dishes using Ragi, Bajra, Kangni, Kodo, Cheena, Sawa and Kutki.

Cadets learned to prepare dishes like cheela, uttapam, laddu, idli, pakoda etc. using millets. On this occasion, Principal Dr. Sushma Gupta said that millets are not only rich in nutrients but they are also climate resilient crops and have amazing nutritional properties. These grains can be grown even in less water and barren land and in adverse weather. Lieutenant Dr. Anjana Malhotra said that Millets provide nutritional security and acts as a shield against nutritional deficiency, especially among children and women. The high iron content present in it is

capable of preventing the high prevalence of anemia in women during the reproductive period and in infants in India. ANO Dr. Anjana gave special thanks to Mrs. Sangeeta Malhotra for her cooperation. At this juncture, Dr. Kulwinder Kaur, Dr. Deepak Jyoti, Ms. Sunita Verma, Dr. Sonam Gupta, Dr. Neenu Sharma and Mr. Rakesh Joshi were present.

NO SMOKING DAY(13 –MARCH-24)

No Smoking Day is observed on the second Wednesday of March. The day is observed to spread awareness about the harmful impact of smoking. No Smoking Day, originated

in the United Kingdom in 1984 as a campaign to raise awareness about the health risks associated with smoking and to encourage smokers to quit.

The Member States of the World Health Organization created World No Tobacco Day in 1987 to draw global attention to the tobacco epidemic and the preventable death and disease it causes. In 1987, the World Health Assembly passed Resolution WHA40.

NATIONAL VACCINATION DAY 9 16- MARCH-24)

Every year, National Vaccination Day is observed on March 16. National Vaccination Day 2024: Vaccines play an important role in eradicating diseases that used to be deadly at one point of time. Diseases such as Polio and Smallpox were widespread and claimed a lot of lives, till vaccination against these diseases came in. Vaccination enables us to have a better life without the risk of diseases. It also highlights the importance of getting vaccinated to keep ourselves safe and healthy. Frontline health workers, doctors and nurses work tirelessly throughout the year to ensure that we are fit and healthy. They ensure that we are properly vaccinated as well. Every year, National Vaccination Day is observed to create awareness about the importance of getting vaccinated. As we gear up to celebrate the important day for this year, here are a few facts that we should keep in mind.

Dr Edward Jenner created the world's first successful vaccine. He found out that people infected with cowpox were immune to smallpox. In May 1796, English physician Edward Jenner expands on this discovery and inoculates 8-year-old James Phipps with matter collected from a cowpox sore on the hand of a milkmaid.

WORLD THALASSEMIA DAY (8.5.2024)

Science department, Ek Bharat Shreshth Bharat Club and Red Ribbon Club of Shanti Devi Arya Mahila College, Dinanagar celebrated "World Thalassemia Day" on 8th May, 2024 under the able guidance of Principal Dr. Sushma Gupta and Sh. Dharam Indu Gupta, Secretary, Managing Committee. Commencing the event, Principal Madam threw light upon the theme which was "Empowering Lives, Embracing Progress: Equitable and Accessible Thalassaemia Treatment for All". She told that Thalassemia is an inherited (i.e., passed from parents to children through genes) blood disorder caused when the body doesn't make enough of a protein called hemoglobin, an important part of red blood cells. She added that there are two types of thalassemias due to mutation in genes i.e., Alpha thalassemia: when a gene or genes related to the alpha globin protein are mutated and Beta thalassemia: when similar gene defects affect production of the beta globin protein. Mrs. Sunita Verma (EBSB Coordinator) made the students aware about the difference between thalassemia minor and major. She added that mutation in one gene causes thalassemia minor causing mild signs and symptoms of anaemia and mutation in two genes cause thalassemia major, or Cooley anemia leading to moderate to severe signs and symptoms of anaemia. She told that the Primary prevention for thalassemia focuses on education and genetic counseling. These measures can help to prevent the birth of patients with thalassemia. She gave awareness by telling that Thalassemia is a treatable disorder that can be well-managed with blood transfusions, chelation therapy and Bone marrow transplantation. Principal Madam appreciated the efforts of said departments for successful organisation of the event. Dr.

Parveen Saini, Dr. Sonam Gupta, Mr. Mohit Agarwal, Mrs. Shelika were also present to enhance the grace of the occasion.

The poster features a central graphic with the text "World Thalassemia Day" and "8th May". Below this, it says "Give Blood Give Life" with a large red blood drop in the center. A cartoon character of a red blood cell is on the right. The background is a light blue map of the world. The entire poster is framed by green leaves on the left and right sides. In the top left corner, there is a circular logo of Shanti Devi Arya Mahila College Dinanagar.
